1 to 3 - Although I did not anticipate delegation below the Division level, I have approved the attached paper in recognition of the disbursed nature of these organizational entities. Each Division must establish control mechanisms such as allocation of total hours per pay period or periodic reporting so that the Division Chief (and Director of Logistics) can maintain a review of the overtime authorized.

MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Overtime Work

REFERENCE : Memo dtd 30 Jul 70 to DD/S fm A-D/L, same subject

1. This memorandum contains a recommendation for your concurrence in paragraph 4.

2. With your concurrence, the Chief, Printing Services Division (PSD) and the Chief, Logistics Services Division (LSD), OL, plan to delegate authority to authorize irregular overtime and to sign time and attendance (T&A) reports to the chiefs of operating components within their respective Divisions. The Chief, PSD plans to delegate this authority to the Chief, Special Printing Plant, Chief, General Printing Plant, and the Production Manager, Main Printing Plant. The Chief, LSD plans to delegate his authority to branch chiefs within the Division.

3. Both Divisions operate in dispersed areas and are manned with large numbers of personnel required to work essential overtime to meet Agency requirements. The above delegations will permit certification and authorization by responsible officials having first-hand knowledge of the overtime concerned.

4. It is recommended that authority to authorize irregular overtime and to certify T&A reports with overtime be delegated as outlined in paragraph 2 above.

MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Overtime Work

REFERENCE : DD/S Administrative Instruction No. 70-4 dtd 20 Feb 70,
same subject

1. This memorandum contains a recommendation for your approval in paragraph 3.

2. The referent administrative instruction requires that the Director or Deputy Director of Logistics certify time and attendance reports which include overtime hours. Because of the decentralization of the Office of Logistics, this authority is more effectively monitored at the division, staff, and depot level. A delegation of authority permitting certification of time and attendance reports with overtime by officials directly responsible for the overtime concerned will provide closer and more direct administrative control.

3. It is recommended that authority to certify time and attendance reports with overtime be delegated to officials serving in positions listed in the attachment.
